

Change things up this Valentine's Day with these cute, creative, "no-card" card idea! Here's how to prepare them in two easy steps:

#### Step 1

Fill sandwich bags with "dirt" (e.g. a handful of Chocolates), a few gummy critters, or any favourite sweets, and a toy shovel.

#### Step 2

Write a "punny" message on a heart-shaped tag (or cut your own from paper), then attach with twine.

And that's it! Your little ones will worm their way into their crushes' hearts in no time.
